Christmas Eve.

Day after tomorrow is Thanks giving Day Have you got that II he loves to swing a black-Turkey yet?

It has been a very inconvenical matter getting out this paper during the last day or two, since our press got its vitals knacked out of it, but we hope to get out Course promptly hereafter. It is hope that keeps us all going from morning till night.

If the Democrats spend \$37,442 is nortuge during the recent camphigu, the Republicans must have shout \$37, even, but just how they high to even spend this mount is not elear to us, for most of their campaign documents went out an der the franking privileges.

It was the last straw that broke the camel's back, so it's said, but most of those we ever saw, enemels with likes. broken-looking backs appeared to be in good health, and they presented a much bettler appearance. We hardly think it was a straw that broke the back of the camel.

It costs a good deal to furn the wheels of machinery by steam The time is coming when those wheels will be turned in Dothan by a power that nature provided was heading for S. Andrews Bay. that if will make it profitable for already from Graceville to Campits power to come to Dollan al-bleton. right. It is coming, loo,

king, has come out for free trade. and says the protected "infant in dustries" are, or should be, able now to stand alone Uncle Andrew rays the steel business has outhing to fear from tree trade. as they are able to compete with the balance of the world.

ik u man makes die promise on any thing and finds that he can-not keep it, he should redeen it with another promise, equally us of the intentions of the L. & N. we are, good, like we have to do the note Managers, that falls due shefore we are the Steele road, then he has gone P S. -We don's send out dodgers prepared for the fall. It makes of half enched to be sure

The show people must have been in league with the school vester hoy, who went home to dinner had mer a street parade as they formed the corner, they would hark to the show ground and Lemme Darrow stayed by it, as David Harum did to get his start.

#### FEEL OF YOURSELF.

If a man loves to swap horses day. Colder tought in northern tunity presents itself. If he loves to dig a ditch, he ought to let his danger be sent to him so he would till be gets belund the counter smith's bommer he ought to let the music the from the anvil, and stick to it. If he loves to get up nesday, in the spring of the morning before the whipporwill goes to sleep, and hitch up his horse, and go to One has to work at things he of getting them doesn't like at times, but the high ost and host will not come to the top fill one gets to the job that he
